

III. STRUCTURAL AND TRANSPORT ENGINEERING
IV. WATER MANAGEMENT AND WATER STRUCTURES

Road Structures
Railway Structures
Civil Engineering Management
Landscape Water Management
Municipal Water Management
Water Structures

ROOM D267

Rank	Time	Name and Surname	Name of the article	Section
	8:00	Registration of participants (in the main building, in front of the room A203)		
	8:30	Opening speech (room A203)		
	8:45	Introduction lecture (room A203) Innovation in Plastic Recycling by Platis Guyes		
	9:15	Opening of the meeting (room D267)		
1	9:30	Petr Veselý	Aging of bitumen binders	3
2	9:45	Magdalena Kreckova	Continuos welded rail in tram bridge expansion – measurement	3
3	10:00	Hana Fridrichovská	Parking in compact mixed-block development	3
4	10:15			
	10:30–11:00	Coffee Break		
5	11:00	Artem Chystiakov	The use of concrete based on secondary aggregates for road construction	3
6	11:15	Matouš Horák	Speed of trains in track junctions	3
7	11:30	Karel Spies	Sustainable asphalt recyclate base course	3
8	11:45			
	12:00–13:00	Lunch Break		
9	13:00	Lukáš Buršík	Threats to chosen locality by surface runoff, water erosion, and surface water pollutants	4
10	13:15	Filip Mečíř	Use of laboratory models in the design of potable water treatment plants	4
11	13:30	Barbora Považanová	Data-Driven Approaches for Improved Evapotranspiration Modeling with Limited Data	4
12	13:45	Jiří Skokan	Comparison of 1D and 3D hydrodynamic models on dam's functional object	4
	14:00–14:30	Coffee Break		
13	14:30	Martin Lacina	Water management solution of the water reservoir Nýrsko	4
14	14:45	Matúš Tomaščík	Use of the USLE 2D model to assess the impact of anti-erosion measures on the extent of potential water erosion in the research area Sobotište.	4
15	15:00	Eliška Grmelová	Current problems in 2D numerical modelling of water flow in floodplains	4
16	15:15			
	15:30	Session Closing		
	15:35–17:50	Accompanying program - excursion - meeting point in front of the main building A		
	18:00–18:30	Closing speech, Evaluation of papers (A203)		
	18:30–24:00	Reception dinner on the 4th floor of the main building A (entry after ticket submission)
